FORMATION DRUMMING

"**We're from the Country...**"
This is a powerful "Mindfulness" practice, requiring a full focus on "Here and Now Aware Presence" - plus strengthening Mind / Body / Spirit [= rhythm] integration.

Syncopated Drumming to Raise Energy

Hoof and Horn <dum-dum> **Hoof and Horn** <dum-dum>
All that Dies shall be Re-born! <dum-dum>
Corn and Grain <dum-dum> **Corn and Grain** <dum-dum>
All that Falls shall Rise again! <SPACE>

Drum & Chant along with the video on this webpage: www.sunflower-health.com/courses/dance.htm

HALLOWEEN: CONFRONTING & CLEARING THE DARK SIDE OF HUMAN NATURE!

"Morrigan" Samhain Dance for moving through the shadow energies unleashed by Frustration & Rejection!

Chant 1: Morrigan Bayv Naymawn Ma-aka

*[= Morrighan, Badhbh (**fury**), Nemain (**venom**), Macha (**tragedy queen**)]*

Chant 2: AHHHH... AHHHH... Morrighan, 3-in-1, Raven Queen!

A 2-part 'mantric' chant in Gaelic, based on Celtic Folklore wisdom about the roots of potential human attachments to rage, poisonous remarks & 'drama queen/drama king' behaviour. This 'psychodrama' practice inspires us to acknowledge, but not get stuck in, the seductive 'negative personal power' of the natural "shadow" energies ['inner demons'] that can arise during painful experiences of Frustration, Disappointment or Rejection.

SHAMANIC JOURNEYING – DRUMMING FOR A VISION

The overall beneficial effect of these 'drum & tribal dance' evenings is "Self-Integrative" [bringing mind, body, heart, soul & life-force into harmony] so we have included these shamanic drumming sessions to provide a chance for dialogue between the conscious and unconscious levels of our mind - which sometimes are pulling us in different direction - a common cause of inner [dis-]stress!

Our unconscious mind tends to speak in image [dream] form, but can have important feedback and support for us about the current dynamics of our life and any associated 'healing the past' opportunities.
