- INTERNALISING SOLAR RADIANCE - JOY & POSITIVITY to KEEP CHAOS AT BAY! -

THE ZOROASTRIAN SUN DANCE

Zoroastrianism was one of the great pre-Christian religions in the Middle-East, based on teachings of the prophet Zoroaster. Their Creator [God/Great Spirit] was called Ahura Mazda and devotees are called to take an active part in life through good thoughts, good words and good deeds, which will **ensure happiness and order and keep chaos at bay!** The melody, words and movements of this dance were developed by Middle-Eastern scholar, Dr. Neil Douglas-Klotz, from the Zoroastrianism sacred text "Hymn to the Sun". In the 1st millennium BC the sun was seen as galloping across the sky – 'swift-horse' symbolising great natural power!
