All Life is Sacred, the Animals and the Trees

In this tribal circle dance, we are honouring, and aligning ourselves with, two famous Native American mantras which are an attunement to the vision of what it means to be "healed" [whole] plus "grounded" in the 'web of life'.

"In Beauty May I Walk!" is a Navajo (Dineh) prayer.

"All My Relations!" meaning "We are all connected" is a translation of the Lakota Prayer "Mitakoye Oyasin" often used in the sense of "I dedicate this to all my connections on the great hoop [web] of life!"

Mitakoye = All beings in all levels of creation Oyasin = Call us & draw us closer to the deepest love of our soul.
